MORA ON HIS SEATTLE SUCCESSOR: CONTROL & MOTIVATION EASIER WITH COLLEGE PLAYERS – As he prepares for his rookie season with FOX Sports, former Seahawks head coach **Jim Mora** looks at **Pete Carroll's** chances of having success with his former franchise. "Pete's spent 15 years in the NFL and has grown from his coaching experience but it's not easy to make the transformation from coaching in college to the pros. In college, you have very tight control of your players but less control in the pros. From a motivational standpoint, college players listen more because they are striving to get to that next level."

MLB ON FOX HEADS TO THE WILD, WILD WEST – Week 21 of the FOX SATURDAY BASEBALL GAME OF THE WEEK schedule commences on Saturday, August 28 (4:00 PM ET) with two highly-competitive matchups. The Phillies, still in hot-pursuit of the Braves, face a tough test when they travel west to take on the NL West-leading Padres. San Diego possesses both the NL's best record and baseballs most dominant best pitching staff. In Seattle, **Joe Mauer**, teams with RBI leader **Delmon Young** and the Twins to take on the Mariners. This week, the pregame show originates live from Safeco Field in Seattle with host **Chris Rose**. Once game action begins, Rose joins analyst **Mark Grace** in the booth.
