* FOX NFL games scheduled in Weeks 5-9 are part of the NFL's flexible schedule plan. During this period, flexible scheduling can be used in no more than two weeks by shifting a Sunday afternoon game into prime time and moving the Sunday night game to an afternoon start time.

** FOX NFL games scheduled in Weeks 10-17, excluding Week 16/Christmas Eve, are part of the NFL's flexible schedule plan. After consultation with FOX Sports, the NFL will determine start times on these dates, with a game or games possibly moving from 1pm to late afternoon, or from afternoon to prime time. FOX retains the right to protect some games from being moved into prime time during these weeks.
