* FOX NFL games scheduled in Weeks 5-10 are part of the NFL's flexible schedule plan. During this period, flexible scheduling can be used in no more than two weeks by shifting a Sunday afternoon game into prime time and moving the Sunday night game to an afternoon start time.

** FOX NFL games scheduled in Weeks 10-17, are part of the NFL's flexible schedule plan. After consultation with FOX Sports, the NFL will determine start times on these dates, with a game or games possibly moving from 1:00 PM ET to late afternoon, or from afternoon to prime time. FOX retains the right to protect some games from being moved into prime time during these weeks.

***Cross flex games from the NFC broadcast package can move from FOX to CBS in exchange for games from the AFC broadcast package. A select number of games can be swapped between FOX and CBS from Week 1-16 with two weeks advance notice and in Week 17 with one-week advance notice. FOX and CBS will receive an equal number of games under the league's cross flex plan.

^Denotes game is simulcast on NFL Network and Amazon Prime Video and distributed in Spanish on FOX Deportes. NFL Network and Amazon simulcast subject to change.
